# Class of 1947

## We Proudly Point To Our SENIORS

W. ARTHUR HEY, Class Adviser  
L. TO R. Walter Wright, Pres., Richard Wood, V. Pres., Clara House, Sec., Lois Hardin, Treas.

It was in September, 1944, when ninety-one freshmen entered Sussex High School. We finally organized and called our first class meeting. We elected the following officers: president Albert Rome for the first semester and Lois Hardin, the second semester; vice-president, Theodore Paugh; secretary, Janet Breen; treasurer, Gerald Elston; adviser, Mr. Fries.

We were soon taken into custody by the seniors and were initiated. It was a hilarious day with ninety-one freshmen running around in conspicuous styles. All of us survived initiation and had a grand time at the party which followed. We were then considered full fledged members of Sussex High School. In April, we had an amateur show which started our class fund.

In our sophomore year we elected the following officers: president, Dolson Ayers; vice-president, Paul Andrade; secretary, Clara House; treasurer, Anne Clouse; adviser, Miss Breznik. We presented two plays, "Grandmother Nick" and "Leave it to Joe", under the direction of Miss Hummer. These helped to increase our class fund.

We were finally recognized upper classmen in our junior year. At our first meeting we elected the following officers: president, Dolson Ayers; vice-president, Joe Deuchler; secretary, Clara House; treasurer, Anne Clouse; adviser, Mr. Cobb. One of our big moments in the junior year was the receiving of our class rings. We were very proud of them and everyone was greatly satisfied. In the junior year in order to raise class funds we sold Christmas cards. In the spring under the direction of Miss Nicholson, we presented our junior play, "How's Your Hokumbedo," which was a big success and enjoyed by all. Our junior prom was held in May and was well attended.

Finally in September, 1947, fifty-five of us were seen going to Sussex High School as seniors, proud, independent, seniors. Mr. Flood called us together to elect officers and an adviser. We elected the following: president, Bob Wright; vice-president, Dick Wood; secretary, Clara House; treasurer, Lois Hardin; Mr. Hey consented to be our class adviser. We chose the red rose as our class flower, blue and white our class colors, and "Forward to Success", our class motto.

During September we held our annual magazine campaign which ended with a total of \$3009.30.

On November 21 and 22 we presented our senior play, "Me and My Shadow," with the kind and patient help of Mrs. Jones. The play provided lots of laughs for the cast and the audience, as well as providing a considerable sum for our class treasury. In December it was decided to publish the second year book of Sussex High School. We were very grateful to Miss Robbins and Mr. Hey for their time and effort in helping us to publish our year book.

In our senior year we had four roller skating parties which were great fun and a help to our class treasury. We also had a round and square dance in March. The seniors held their annual prom February 13. It was a Valentine and Leap Year dance. A fine crowd was there and it was enjoyed by many.

Yes, the date finally arrived, April and our class trip to Washington, D. C. It was a wonderful trip that words couldn't describe.

By hard work we have reached our goal—graduation. We seniors, looking back over the past years, think of the wonderful times our class enjoyed and realize that these happy memories in Sussex High will always be with us.

Mr. N. Lombardi, Class Adviser.

On September 5, 1945, we became the freshmen of Sussex High School. Even though we were in high school, it wasn't until after we were initiated that we really became high school students. Officers elected in our freshmen year were: Richard Textor, Leon Kantenwein, Delores Sharpe, Ann Bahney; Class adviser was Mrs. Jones.

The following year, we elected officers—Janet Hurst, Bruce Frech, Mary Case, William Bennett; Class adviser was Mr. Pursell. On Thanksgiving night we held a hobo dance.

This year when we returned to school we elected officers—president, Patty Gilman; vice-president, Bruce Frech; secretary, Phyliss Boyd; treasurer, Mary Case; and Class adviser, Mr. Lombardi.

In January we sponsored a dance which was very successful. To enlarge our treasury we gave a successful Junior Play in March.

We entered Sussex High School very quietly September 3, 1947, but soon we were the talk of the school. You know the reason—everyone does—Initiation! Oh, how every Freshman dreaded it!

When the day finally arrived, we found that it wasn't so frightening and survived it with no ill effects except for hoarse voices from singing the "Alma Mater," and tired arms from carrying the shopping bags in which we had our books.

At the second class meeting we elected our permanent officers. President, Donald Elston; vice president, James Martin; secretary, Peggy Balling; treasurer, Loree Lewis; class adviser, Miss Robbins.

We are permanent members of Sussex High, and most of us seem to be enjoying it immensely.

# The Stardusters

The Sussex High School Band is one of the many musical activities of Sussex High. It is a well known organization that plays for many school and community activities. Through the cooperation of the Board of Education, both last year and this year, in installing a rental

system of instruments, we have been able to increase the number of our players.

At present the Band is purchasing new uniforms. Through the generosity of many townspeople and the efforts of the students, we will have our new costumes for our Annual Spring Concert.

## STAR DUSTERS

Left to Right—FIRST ROW: D. Ayers, J. Hurst, S. Havens, A. Writer, I. Stoll. SECOND ROW: E. Armstrong, R. Textor, V. McCluskey, D. Terwilliger, I. Rose.

The Stardusters have taken part in many of the musical activities of the high school and the community for the past four and a half years.

The old players, many of whom have graduated, had an extremely popular little dance orchestra in its beginning years. Gradually, the "junior" Stardusters, after working on the so-called art of "jazz", have been accepted into our little group. We hope these "juniors" will carry on the tradition of the Stardusters.

# Student Council

The constant aim of the Student Council is to promote closer cooperation among the students and faculty and to initiate and execute plans for the improvement of our school. During the past year our student committee opened the cafeteria, which was later taken over by a faculty committee and is operating successfully. A juke box was obtained for the school in order to provide

dancing during the noon hour. We are continuing to sponsor the yearbook.

On November 21, 1947, seven of our members accompanied Miss Robbins to the annual Convention of the New Jersey Association of High School Councils, which was held at Princeton, New Jersey. The exchange of ideas with other council members proved most stimulating.

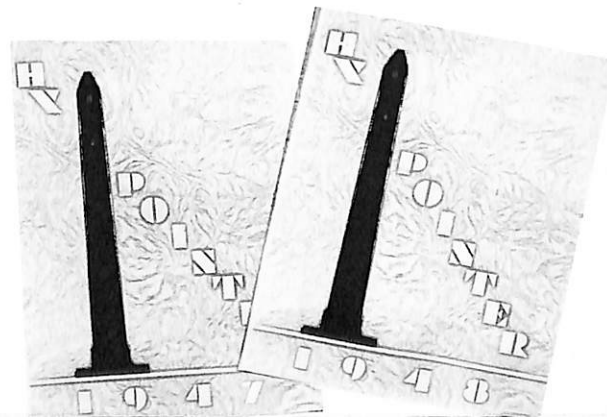

Left to Right—FIRST ROW: L. Hardin, Miss Robbins, D. Ayers, Mr. Hey, R. Johnson. SECOND ROW: R. Textor, J. Eby, A. Writer, P. Gilman, T. Myslinski, D. Haggerty.

## Hy-Pointer Staff

With the help and cooperation of faculty members and students, we finally completed the task of producing the Hy-Pointer for 1948.

We wish to express our appreciation to Mr. Hey and Miss Robbins for their constant assistance and invaluable advice, to Mrs. Jones who was ever willing to assist the editors, to the office practice group for their hours spent in typing. To all others who contributed in any way to the success of our year book we thank you.

# Future Farmers Of America

The Future Farmers of America is composed of chartered state organizations made up of local chapters in high schools having Vocational Agricultural courses. The Sussex Chapter was chartered with the National organization in 1928 and is also an active member in the Second District Chapter of New Jersey.

Membership may be active, associate, or honorary. The four degrees of active membership, Green Hand, Chapter Farmer, State Farmer, and American Farmer, are based upon accomplishment in the vocational agricultural program. The first two degrees are conferred by the local chapter, the third and fourth by the state and national organizations respectively.

This club is one of the most active organizations in the school. It has sponsored a farm show, various chapter contests, a public milking contest, basketball and baseball teams, a skating party, and several dances. Fifty boys attended the State F. F. A. Rally in Trenton and a delegation attended the National F. F. A. Convention at Kansas City, Missouri. For the second consecutive year the State Presidency is held by a local member.

The librarians take turns on duty at the desk. Their duties consist of checking books in and out, arranging books and magazines, classifying and cataloging books, and assisting students in finding information.

Meetings take place twice a month on Wednesdays. At these meetings the librarians discuss problems which have come up and any suggestions to improve the library.

## Banking Staff

The purpose of the School Bank is to teach students the habit of saving regularly. The total deposits for the School Bank from September 1946 to June 1947 amounted to \$8,559.98. Approximately the entire student body deposited throughout the year. Three of the seven classes of the elementary building and eleven of the thirteen home rooms of the high school building had 100% records for depositing every banking day.

The Banking Staff consists of members of the Commercial Department. The positions held by these students are cashiers, tellers, bookkeepers, daysheet bookkeepers, and instructors to smaller pupils in the elementary school.

Much credit is due to these students for the high degree of accuracy and efficiency with which they performed their duties. This practical experience will prove valuable to them when they enter the business world.

## "ME AND MY SHADOW"

The Senior play, a mystery comedy, was presented two nights, November 21 and 22.

The plot was as follows: Roy Harrington while returning from taking his wife, Arleen, to the bus station, rescues a Hindu girl, Shadow, from the train tracks. During Arleen's absence Bruce Douglas, Roy's friend, stays with him. Shadow declares that Roy is her master and she is his "Slave." Arleen's mother, Mrs. King, arrives unexpectedly and at once is suspicious of her son-in-law. The nosy neighbor, Mrs. Butler, doesn't help in concealing Shadow from Mrs. King. Susan, Harrington's maid, added humor and complications to the situation. Shadow's murderer, Sabu, who threw her on the tracks, mistakes Mrs. King for Shadow and kidnaps her instead. Mrs. King, aided by Hickson, the sheriff, captured Sabu, and thus the story ends.

Left to Right—SEATED: L. Hardin, A. Banks, H. Haggerty, R. Wood, C. House, B. DeGroat, M. Luna. STANDING: J. Whitfield, J. Monaghan.

## "A GIRL NAMED PAT"

The Junior Class presented their play on March 19, 1948. Mr. and Mrs. Patt are staying at Crash Inn which is run by Bess Dwyer and her daughter Trixie. Pat Dodd arrives with Blair, his friend. Pat asks Blair to stay and meet his fiance, Juliet, because he has to go to the bank.

Patricia arrives with Juliet; they think that Pat and Mr. Patt are the same person. Pat is robbed coming from the bank. Juliet's mother arrives to prevent the marriage, then a detective arrives looking for "A Girl Named Pat." Suitcases are mixed up to add to the fun.

Patricia poses as a man in order to incite Blair to propose to her. The jewels of several guests are taken. Juliet makes up with Pat. The jewel thieves are caught at the surprise ending.

## Twirlers

The Baton Twirlers are a group of both high school and grade school girls. They participated this year in the annual Halloween parade and they will also take part in the Spring Revue. This year's group is smaller than last year's but they make up for this in quality.

C. House, I. Rose, J. Little, B. Van-Orden, A. Bahney, D. Kalaris.

Leader, Clara House.

## Cheerleaders

The cheerleaders this year were a very active group. They attended every basketball game and gave the boys on the team their utmost support. Even though most of the cheerleaders are new this year, they have done a wonderful job.

Head Cheerleader, Barbara Smith

LEFT TO RIGHT KNEELING: J. Lewis, E. Armstrong, S. Hille. STANDING: I. Rose, D. Haggerty, B. Smith, M. Wood.

## Soccer

Fielding a green and inexperienced eleven, Coach Charles Pursell's soccer proteges of 1947 played remarkably well despite its three losses and one victory. The experience gained during the past year will enable our boys to pit themselves against the best local soccer units in 1948.

The lone victory of the soccer season of 1947 was over Blair Academy Javees by a score of 1 to 0. Later this same team shaded us by the same score. We sustained two defeats at the hands of Blairstown High School booters, 3 to 0, and 2 to 1.

The Varsity basketball teams enjoyed a successful season, having won 15 games and losing 3. The squad finished in second place in the Sussex County Conference with 4 victories and 2 defeats; both losses had been sustained at the hands of Newton High.

The Junior Varsity basketball team won 17 of its 18 games.

As a whole the boys did exceptionally well under the tutelage of Coach Charles Pursell. With the exception of one player the team will remain intact for the season of 1949.

The floor work of Frech, Ayers, Textor, Moore, Mericle, and Coar deserves a word of praise.

TO THE CLASS OF 1948

Congratulations

To complete a high school course is an accomplishment of which to be proud. We know that education is not a substitute for intelligence, ambition and energy. But we know, too that lack of an education is a handicap that too often cannot be overcome. Sincerely, then, we compliment you on your attainment and most cordially wish you the success which you have prepared yourself to win. We invite you to make use of our complete banking facilities—now and through the years of greater accomplishments ahead.
